Cause that's how real predators hunt.*

ARE YOU READY TO HUNT?

A black AMD Radeon R7 260X graphics card is shown on the left. To its right, under the heading "FEATURES:", are three red icons with corresponding text: a starburst icon for "4 Copper Heatpipes", a fan icon for "Superior Aluminium Cooling Fins", and a bracket icon for "LED-It Branding".

An advertisement for the AMD Wraith CPU Cooler. The background is a dramatic, misty forest scene. A hunter, seen from behind, is crouching and aiming a bow at a massive, roaring brown bear. The bear is standing on its hind legs, its mouth wide open in a roar. The hunter is wearing a dark, rugged outfit with a quiver of arrows on his back. The overall atmosphere is intense and predatory. In the top left corner, the AMD logo is displayed. The main headline is in large, bold, black and red letters. Below it, a paragraph of text describes the CPU cooler's features. At the bottom, a question is posed to the viewer.
